Chip's Chats

Where did the year go? How did the Christmas season come upon us so quickly? Why is it that as we get older, time goes so much faster? This year really seems to have flown by. And now as we are looking at the end of the year, I can't help but look in awe at the fantastic year we had. You have been so supportive and the ideas I got from you this past year have been just great. And I appreciate the word of mouth advertising you have been doing for me. The data base has been growing with each newsletter.

As we look forward to the upcoming year, we will again try some new adventures along with the favorites from this past year. We'll be a bit light for the first two months because of the time of year. But that gives me time to plan for the whole year and come up with new and different ways to hold your interest. We will be gone for a part of January as we go on our first Chip's Tour's cruise to the Caribbean. It really went over huge. We had to take a standby list by mid October. It's going to be a great way to break up the winter. And we'll be thinking about all of you back home.

Once again I want to thank all of you who rode with Chip's Tours in 2012. I only hope you had as much fun as I did going to the different places. To those who rode with us for the first time this year, I sure hope you will be riding with us again. And for those of you who have become frequent riders, I want to thank you for your continued support of Chip's Tours. I want to ask all of you to continue spreading the word. Without you, this would not be happening. So thank you, one and all.

Dianne and I want to wish all of you a most blessed Christmas season, and a happy, healthy and prosperous New Year. I look forward to seeing you in 2013.

4 Winds

\$32

We are heading back to this beautiful casino. Past visits have seen our guests in awe of this facility. From the many different machines to the fabulous buffet, it's a place you will want to return to over and over again. This is one of those casinos that has it's own following so you want to get on the list before all of the repeat customers sign up. It's a nice 2 1/2 hour ride around Chicago to New Buffalo, MI. And it's all freeway so you're there before you know it. Give us a call on this one.

EARLY NEW YEAR'S EVE

Dec. 27-28

We started something new last year when we tried this. So many riders wanted to do it again so we have it scheduled for the dates mentioned above. We'll start out the day by visiting Wild Rose on the way down. From there, we'll head further South where we'll stay overnight at Jumers where we'll spend the evening with fun and frolic. On the way home, we will stop off at Mystique for a 4 hour visit. This is a nice way to celebrate a safe and fun New Year's eve early before all of the 'rookies' hit the streets. I'll bring the champagne, you bring the fun attitude and let's bring in 2013 early and together. Bring that special person for an early celebration of the New Year's holiday.

STILL SOME ROOM LEFT!

Say Hi To Johnny O

Mar. 11-13

Everyone has been asking about him and now you will be able to see and talk to him personally. Johnny will be joining us for a three day trip to **Chip In** to thank all of you who have been so supportive of him during his recovery from his accident. We will be stopping off at Oneida on the way up and at Kroll's on the way back home, along with a stop at the Swedish Pantry on day 2. With all of the friends that have been asking about him, Johnny wanted to do this to see everyone that sent the cards, the prayers and the well wishes to him over the past months. So get on the phone and call early. Join us as we say HI to a super person!

VALENTINE DAY SPECIAL

\$97 Dbl
\$125 Single

Feb. 14-15

We've put together a way to really get your money's worth while showing a great time to that significant other of yours. We are going to do a HoChunk property triple play where the trip will offer more back in promo money than what you will pay for the trip. We'll start off with a stop at HoChunk in the Dells. From there we head to Majestic Pines for the evening and then it'll be off to HoChunk Madison on the way home. As part of the trip, I'm throwing in a bottle of bubbly for you and your main squeeze to enjoy in the privacy of your own room. What a neat way to spend Valentine's Day with your sweetie. And here's the best part. It's less than \$100 and you will be getting \$100 in promo cash while on the trip. Yup, you can look like her hero, making new memories while having your own romantic time on this trip.

I think this is one that will book up quickly, so call as soon as you can to reserve your spot on the bus.
